

SUMMERFOLK MUSIC AND CRAFTS FESTIVAL

Georgian Bay Folk Society, Owen Sound, Ontario

2010 FOOD VENDOR INFORMATION

- All submissions will be reviewed individually for menu variety (including vegetarian, organic and/or international menu items), healthy choices, price range and how well the booth fits into the festival setting. Recognition will be provided for vendors who use meats and vegetables that are grown and raised locally and for booth appearance.
- All food vendors, successful and unsuccessful, will be notified by May 14th at the latest. (We realize that you may have other commitments.)
- The Food Committee will hold an information session for all successful applicants in our office at 7 pm on Wednesday, June 2nd. We strongly encourage all vendors to have a representative at the meeting.
- The Georgian Bay Folk Society will provide booth space, electricity, water and a grey water disposal area. Vendors are required to provide their own booth materials and equipment. In addition to the application form, you must submit a detailed sketch setting out the dimensions and design of the booth; photographs are also accepted. **Space is limited; food vendors bringing a larger size tent or booth than has been approved cannot be accommodated.** Once written approval has been received, changes in tent or booth size will be authorized only on a case by case basis up until one week prior to the festival.
- Power on site is limited so please indicate on your application what your power requirements are by indicating **what equipment you propose to use**. Use of equipment requiring electricity requires prior approval from the Electrical Coordinator for the Folk Society. Once written approval has been received, additional equipment will be authorized only on a case by case basis up until one week prior to the festival. A surcharge of \$10 per amp, subject to availability, will apply to food vendors bringing electrical appliances not approved in writing by the Electrical Coordinator prior to the festival.
- Please note that the Georgian Bay Folk Society does not allow any portable generators on site except with the express written permission of the Electrical Coordinator.
- We encourage our food vendors to use environmentally friendly practices, to recycle where possible and to limit non-recyclable packaging materials and refuse. Garbage pick up will be ongoing at no charge.
- Food Vendors agree to pay the Georgian Bay Folk Society 15% of all gross sales. The Georgian Bay Folk Society agrees to redeem 85% of the face value of all food tickets tendered, by cheque, post Summerfolk weekend and no later than September 10th, 2010.
- If accepted, the food vendor will be forwarded a contract for signing, which must be returned no later than the **1st of June 2010**. A deposit in the sum of \$150.00 is required with the return of the signed contract. This deposit will be returned on or before the 10th of September 2010, provided that the food vendor has abided by all the terms and conditions set out in the contract. Please note that if the food vendor does not abide by the terms and conditions of the contract, the deposit is deemed to have been forfeited to the Georgian Bay Folk Society.

- Proof of Liability Insurance must be provided no later than July 30th, 2010.
- On site set-up is to be completed by 4:00 p.m. on Thursday, August 19th to permit installation of electrical services. Dismantling of the booth must be completed no later than 1:00 p.m. on Tuesday, August 24th, 2010.
